CONFERENCE OBJECTIVES

- To be able to assess lung traumas.
- To understand the mechanism of obstructive sleep apnea.
- To describe the association of excess weight and outcomes of ICU patients.
- To review the epidemiology of prolonged respiratory failure after acute illness.
- To know the origin of ethical principles and seven universal ethical principles for healthcare professionals.
- To understand the clinical features and diagnosis of common metabolic derangements in the critically ill.

CONFERENCE GUIDELINES

Conference faculty may be substituted or sessions cancelled due to unforeseen circumstances.

Conference faculty are required to disclose significant relationships with commercial companies whose products are discussed during their presentation.

Seating is limited to 700. You will receive a full refund if capacity is reached.

If you need to cancel, please contact Andrea Yagodich at **(614) 293-3663 by April 2**. A \$10 cancellation fee will be charged.

This conference is approved for six Continuing Education Units (CEUs). Attendance of the full conference is necessary to receive credit. No credits will be given to participants arriving late or leaving early. CEUs will be provided by the Respiratory Therapy Division at The Ohio State University, a recognized provider by the Ohio Respiratory Care Board.

Please dress in layers for your own personal comfort.

"Ethical Issues in Respiratory Care" has been approved by the Ohio Respiratory Care Board for 1 contact hour of continuing education meeting the Ethics and Law requirement under OAC 4761-9-04.
